

THE FUTURE OF REAL ESTATE

Agent-owned. Servant-first.

AGENT-OWNED

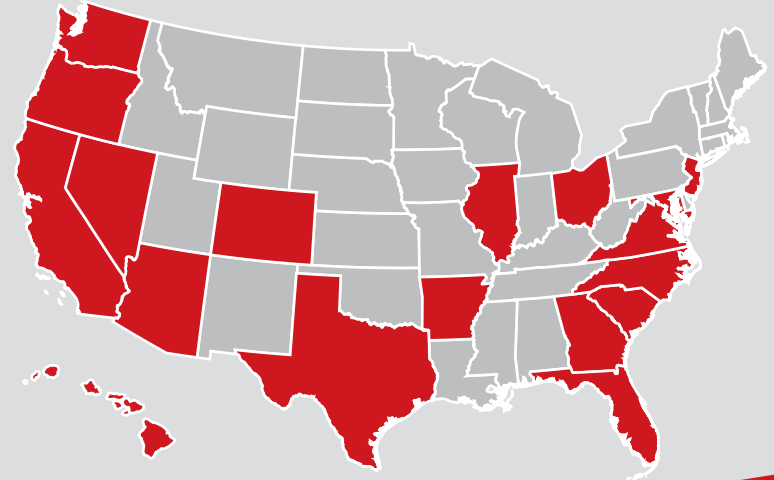

Fathom Realty is owned by our agents. Our agents have helped us grow and become profitable so we believe our agents should share in our combined success.

Agents earn shares when: you join; for each year you're with Fathom; for every transaction you close; and for each agent you refer and who joins Fathom.

ABOUT FATHOM

Fathom Realty is a highly successful real estate brokerage featuring cutting-edge technology, advanced sales & marketing training, mentorship & coaching programs, full service broker support, and industry best agent commissions.
